Women for Trump – Brenda reported the rally was a success. The speakers were inspiring, and a lot of excitement was generated. The next rally is Saturday, October 26 at 2 PM. All are welcome! Sherri Hartman is arranging a convoy beginning at 1:00 that will end up at the GOP headquarters at Sinclair Station before the start of the rally. The convoy will line up at the Central Cass Fire Station in Cassopolis at noon. Speakers for the next rally include Dr. Sherri O'Donnell, Susan Walburg, & Allison Lindsey. Contact Brenda to help.

GOP Temporary Headquarters: Volunteers needed in October & November to staff the headquarters. Sinclair Station, 200 S. Broadway, Cassopolis, MI 49031

Precinct Delegate Welcome Committee:

Kay reported that the committee is working on a welcome /information packet. Look for a presentation by the committee during the December meeting. In the meantime, all delegates and GOP members should focus on the issues that are common to all of us and encourage Trump voters to get out and vote!

Please note that the November Delegates Committee meeting is cancelled due to the election. The next meeting will be December 3.

Poll Challenger Training: Carter Chain from the Trump Election Integrity Team provided training and certification. Overall, the message is to be courteous and apply common sense. Report things that don't seem right to the hotline. Carter will be on the receiving end and will be working with a team of lawyers to help handle any situations that may arise. If you registered online and attended the training, Carter will assign you a location and shift based on the preferences provided. Contact Carter or one of the team members at ei@mitrumpteam.com
